

Audio from the 2014 Post DCA Mini Corps Championship Competition celebration concert.

In Rochester, NY, it's an ad hoc concert. In the Loading Dock of the Riverside Convention Center, where the DCA Mini Corps Championship have been held, the victorious Mini Corps generally plays a victory concert. In the past couple of years that the Mini Corps Championships have been in Rochester, the Freelancers have joined in, performing after the victor. In 2014, Opus 7 joined in the fun.

Enjoy.
