

Audio from the 2015 Post DCA Mini Corps Championship Competition celebration concert.

As in 2014 (and earlier), Rochester, NY, it's an ad hoc concert. The victorious Mini Corps generally plays a victory concert.

The concert used to take place in Loading Dock of the Riverside Convention Center, where the DCA Mini Corps Championship have been held - until 2015 when the building threw us out, and on to the sidewalk across the street. In the past couple of years that the Mini Corps Championships have been in Rochester, the Freelancers have joined in, performing after the victor.

Enjoy.
